Everything I do... everything I do is bad for me
Everything I do... everything I do is bad for me (alright)
All my nasty habits ... just won't let me be

I like to drink... and I like to smoke
They say it's going to kill me ... that ain't no joke
I said hey ... hey ... hey ... everything I do is bad for me
(I can't help myself)
All my nasty habits ... just won't let me be
(They won't let me alone)

I like the girls ... I said I like them a lot
But if I mess up ... my old lady's gonna have me shot
I said hey ... hey ... hey ... everything I do is bad for me
(Could get me killed one of these days)
All my nasty habits ... just won't let me be
(They won't let me be)

I like to gamble ... a card table's hard to pass
But everytime I do it ... I always lose my...
Hey ... hey ... hey yeah... Everything I do is bad for me
(You know what I'm talking about)
All my nasty habits ... just won't let me be
They won't leave me alone)
All my nasty habits ... just won't let me be
They won't let me be)
All my nasty habits ... I believe they're killing me
Hmmm.
