Fellas, I want to get up and do my thing
It ain't really my thing
I'm just goin' to borrow it for a minute
But you know what I'm talkin' about

You know how I feel
You know what I mean
You know how I feel
Like a sex machine man

Can I, can I
Can I, can I
Can I, can I
1 2 3 4

Get up
Get up
Get up
Get up

On the scene
Sex machine

Get up
Get up

On the scene
Sex machine

Wait a minute, raise your arms
You got to use your power
Stay on the scene
Like a sex machine

You got to get the feelin'
Just use your bone
Come on get it together
Right on, right on

Get up
Get up
Get up

Get up

On the scene

Sex machine

Take you on a scene

Love machine

Get up

Get up

Get up

Get up

Take you on a scene

Sex machine

Take you on a scene

Like a love machine

Hey fellas

I'm goin' to take it to the bridge right here

Hey fellas

I'm goin' to go to bridge right now

Can I take it to the bridge?

Can I take it to the bridge?

Can I take it to the bridge?

Take it one time

Way I like it the way it is

I got mine and he got his

Stay on the scene

A sex machine

I said you got to have a mother for me

Fellas, fellas

I feel so good

I feel so good

I got to hit it like I did on top

Hit it like I did on top

Like I did on the front

Alright, hit it

Get on up

Get up

Get up

Get up

Take it on the scene

Sex machine

Stay on the scene

Like a love machine

Fellas, I want to hit it like I did on top
I want to hit it like I did on top
I want to hit it like I did on top
Like I did on the front

I want to hit it and quit it
Hit it and quit it
Hit it and quit it
I'm goin' hit it and quit it

Can't we hit it and quit it?
Can't we hit it and quit it?
Can't we hit it and quit it?
Can't we hit it and quit it?

Can't we hit it and quit it?
Hit it and quit it
Hit it and quit it
Hit it and quit it

I got to hit, hit, hit, hit it
Hit, hit it, hit, hit it, hit
I got to, I got to hit it
I got to hit it
I got to hit it
I got to hit it
Hit it
