Verse One: {Pimp C}

I'm still Pimp C bitch so what the fuck is up?

Big fuckin' nut's comin' back from Louisiana

Times sixty two, twenty four eight is what I do
So fuck what 'cha do
If I told ya cocaine number's you think I was lyin'
Young nigga's twenty two talkin' bout they retirin'
In the game ain't a thang comin' far then we been

Got some Burban City nigga's so I'm a go to my garage
Just got back from California kicked it with B-Legit
Put me down with purple chronic and that hurricane shit
At the studio with Tom, I wish I could stay

Wanna bee's get on yo knee's

>From here to over sea's

We do what we please
No trip cuz we flip

I'm breakin' 'em off from they hip to yo lip
Go ask that boy Skip
That nigga Bun rip
With one clip, soon as the gun slip
Now I done ripped out my Barile
Flyin' through yo belly belly and
Some smelly red jelly is drippin' out of ya belly
Servin' 'em like a Deli jumped on my cellular telli
Hoe sell it like it's goin' out of style
