One more hour and I'll be home close my eyes and rest
my bones

Can't be more than a mile or so from Cincinnati Ohio

Cincinnati Ohio

Cincinnati where the river winds cross the Mason and
the Dixie Line

Heaven waits for me I know in Cincinnati Ohio

Cincinnati Ohio

I guess perhaps the memories got too strong

Grabbed me by the heart strings and pulled me home

I got to thinkin' bout some friends I know in Cincinnati

Ohio Cincinnati Ohio

Cincinnati where the river winds...

[guitar]

I walked half way from Lewieville now there she lies at
the foot of the hill

Shinin' like a jewel in the valley below in Cincinnati Ohio

Cincinnati Ohio

Cincinnati where the river winds...
