"I Wonder If You Feel The Way I Do"

Eight weeks ago, the night we parted
It's so hard to realize we're through
When we kissed, you said you'll always love me
Now I wonder if you feel the way I do

It's just strange to stand the sweetest love
Dear, that two people ever knew
You told me that I need not worry
That forever you'd be true

I can't forget our days together
Even though we know they're very few
I love you then and will forever
Now I wonder if you feel the way I do

It makes no difference where I wander
No matter what I say or do
I'll always think of you my darling
And I wonder if you feel the way I do
