Oh you poor broke mixed up mess of a heart  
A little bitty woman just took you and tore you apart  
I tried to warn you a thousand times you wouldn't listen  
nor pay no mind  
You poor broke mixed up mess of a heart

I watched her buy her tickets at Charlotte North  
Carolina  
I heard her say oneway please to Denver  
She's goin' to meet that other guy and it won't do us no  
good to cry  
Cause she's wearin' his ring on her finger  
Oh you poor broke...  
[ steel ]  
I watched her tip the porter as she stepped aboard that  
midnight train  
Bound to take her faraway forever  
I watched the tail light fade away knowing she was  
gone to stay  
And I wish that's broken heart that's going with her  
Oh you poor broke...  
You poor broke mixed up mess of a heart
