No presents to buy no ribbons to tie no reason to go to
the store
There's not any need to have my suit clean there's no
girl in my life anymore
There's no girl in my life anymore
There's not any use to shine up my shoes or the try to
look neat like before
I don't have to comb my hair I ain't goin' anywhere
there's no girl in my life anymore
There's no girl in my life anymore
Every time I turn around I see there's somethin' less to
do
Pretty soon there won't be nothin' but just dreaming of
you
No phone calls come in the silence won't end no noise
but my feet on the floor
I don't know what I'll do and it's all because of you
there's no girl in my life anymore
There's no girl in my life anymore
[steel]
I don't know what I'll do...
