I wanna sex you up
(Yeah baby)
Let me freak you up, Ah ah
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
Girl, You are my destiny
Baby, I like the way you walk, the way you talk
You, you are a mystery
C'mon baby let me inside
I wanna sex you up that's right
C'mon now let's get it on tonight
I said I wanna sex you up, uh
C'mon now let's get it on
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
I wanna sex you up and down
Freak you to the sound and toss it around
C'mon now I feel the rhythm as I hit 'em
Your boots that is as I slide up in them
Well let's flip it side to side
We'll take it so damn fast for a funky ride
And yo we'll make it last the whole night long
Cuz' I wanna sex you up and get it on, Uh
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
I wanna sex you up that's right
C'mon now let's get it on tonight
I said I wanna sex you up, uh
C'mon now let's get it on
All I wanna do is hold you tonight
And maybe, it's time for you and me
Can't you see

You, You know I treat you right, ooh yeah
C'mon baby let me inside
Hey ya, hey ya
I wanna rock with you
Hey ya, hey ya
Do you feel it too
Hey ya, hey ya
I wanna rock with you
Hey ya, hey ya
Do you feel it too
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
(Do you feel it too)
I wanna sex you up
I know the way you like it
Let me freak you up, Ah ah
