When you say you love me it doesn't matter.

It goes to my head as just chit chatter

You may take this egostistical or just or worry free

But what you say I take none of it seriously

And even if I did I wouldn't tell you so

i'd let you pretend to read me

and then you'll know.

Cause I hate when one attempts to analyze.

That I despize those who even try

to look into my eyes to see what I am

thinking.

That dream is over you gotta sink it.

And I tell all of you like I told all of them

what you say to me is just paper thin, word

I'm not the kind of girl to try to play a man out

I take the money and the gear and then break the hell
out

No thats not my strategy, not the game I play

I admit I play game but it's not done that way

Truly when I get involved I give it my heart

I mean my mind, my soul, my body I mean every part

But if it doesn't work out, yo it just doesn't

It wasn't meant to be you know, it just wasn't

So I treat all of you like I treat all of them

and what you say to me is

still paper thin

In one ear and right out the other

hurt is mumbo jumbo (eeeish) lover

I don't pay attention

I don't concentrate

you ain't got the bait that it takes to hook this

a-hah, a-hah, a-hah

Sucker you missed, I put feelings aside I know who I am

My name is Lyte is your name Sam?

Cause if it is step off, grab your coat and get lost

Wrap your scarf around your throat and go back and
catch a rope

And hit the road Sam, don't you come back

no more, no more, no more, no more

Hit the road Sam, don't you come back no more

So now I take precaution when choosing my mate

I do not touch until the third or fourth date

Then maybe we'll kiss on the fifth or sixth

time to be me (mmmuaah) kiss

Cause a date without a kiss is so incomplete

and then maybe I'll let you play with my feet

You could suck the big toe and play with the middle

it's so simple unlike a riddle

It's as easy as counting to 1-2-3

in other terms, letters L-Y-T-E

I'll tell you, you, you and all of you

in the back and in the middle in the front

Yo, that's it paper thin word up
