Lyzman:

Yo

I never knew a love

Lo love a love like this

Gotta be somethin' for me to write in this

Girl

I ain't seen you in a minute

Wrote this letter

Finally decide to send it

Signed sealed delivered

For us to ride together

A love like this girl you know should last forever

The one big problem though

You don't know

No

Literally don't know

I kept it to myself for too long,

A phone call was wrong so i decided to write it in song,

Don't care 'bout thongs,

Just want you babe just you,

I've loved you for months but you never knew,

You say i was fit but to me that means shit,

Girl,

My love is all yours,

If only you knew,

Then maybe we could exchange with yours,

Your perfect girl,

You are always my miss world,

Forever will be,

If you loved me too you could see...

Chorus: (sing)

There are times,

When you need someone,

I will by your side,

There is a love,

I hide,

Special for you,

Inside...

Lyzman:

Now its depressing when i don't speak to you bird,

You know a love to hide is totally absurd,

I'd never call you a bitch,

Or even my boo,

Theres so much in a name,

Like theres so much to you,

My love to you,

Has just for months now grew,  
I don't know,  
But if you loved me too,  
I would make you happy,  
Thats a promise to you,  
I make good food,  
As good as you,  
Like,  
And give me the word girl and i would give up the mic,  
For you,  
For no-one else,  
I don't know how i managed to keep this to myself,  
Girl you are beautiful,  
A face like yours should be shared,  
And girl i want a share,  
Don't want you to be scared,  
Now in the past i've been nasty,  
But always apologised fastly,  
So not to hurt a princess' feelings,  
You know every word i say i mean it,  
Every word in this has meaning,  
Fuckinghell, fuckinghell, fucking fucking in hell,  
Thats what its like if i ever lose touch with you girl...

Chorus:

There are times,  
When you need someone,

I will by your side,

There is a love,

I hide,

Special for you,

Inside...

Lyzman:

Now you have to stay anonymous just for this case,

Otherwise i might die from some weed thats laced,

By someone that could hate me,

By someone that fuckingwell made me,

I think you know who i am talking about,

But thats enough of 'blank' coz i want 'blank' out,

Of the picture,

You know if i had you i'd never hit ya,

Because i love you,

Thats how i must treat you,

Girl we are equal,

Infact,

You are more,

Even if you were poor i would still adore,

And if we made love i'd make you adore,

I know the sex ain't gonna keep you,

But thats my equal,

Its how i must treat you,

My reflection,

My love i will lead you,

And whatever you like,

I'm a feed you,

Ticka Taa, ticka taa, ticka ticka te taa,

Yo i'll tell you the rest if i see ya,

Peace...

Chorus:

There are times,

When you need someone,

I will by your side,

There is a love,

I hide,

Special for you,

Inside...

Lyzman: (sing)

Can't fight it for...

For for for for...

For too long...

Hapiness...

I've gotta look into your eyes...

I love you girl,

Always have,

Always will,

Straight from the heart,

Come these words,

Of truth...

I love you...

And if i never see you...

Enjoy life...

Don't mourn over loved ones
