tell me that you're doing wrong
what a shock when all along
cryin' would be like a man
going back to hide your hand
you ain't done enough for me
you ain't done nuthin for me
you are disgusting me
yeah yeah
you ain't been justing me
you are disgusting me
you just want a new cut from me
but too bad, too bad
look who just walked in the place
then he slapped me in the face
look who's standing in the peice
try to bring me to my knees

Chorus: Michael Jackson

too bad too bad about it
why don't you scream and shout it
repeat 3x

Verse 2: Michael Jackson

hell all up in Hollywood

sayin' that she's done and good
creepin' from a dusty hole
tell her what somebody told
what do you want from me
what do you want from me
tired of you hunting me
yeah yeah
you ain't been justing me
you are disgusting me
you got the lust for me
but too bad too bad
look who just slapped in the face
and then he left me in the place
I'm right back where I wanna be
I'm standing though you're kicking me

Chorus

Verse 3: Shaq

some nights are like a dream
I'm really in the theater when MJ's on my team
theme
reality brings forth realism
it's the man of steel
organism Twism
I'm full of trisim
take charge like Miller
9-5 Shaq represent with the thriller
grab my crotch, twist my knees, and I'm through
I'm bad, Mike's bad, who are you?

Chorus
