Naina naina, nanana naina
Naina naina, nanana naina
Naina naina, nanana naina
Naina naina, nanana na

Tonight again I am talking to shadows
I have to run away from myself
Three angels look after me
I am walking on the right road

My world is called music
It has no religions or borders
My world is eight notes
One Balkan soul

My world is called music
It has no religions or borders
My world is eight notes
One Balkan soul

Sun wakes me up in my bed
Song caresses my soul
Three memories that were hurtful
I erased forever

My world is called music
It has no religions or borders
My world is eight notes
One Balkan soul

My world is called music
It has no religions or borders
My world is eight notes
One Balkan soul

Naina naina, nanana naina
Naina naina, nanana naina
Naina naina, nanana naina
Naina naina, nanana na

My world is called music

It has no religions or borders
My world is eight notes
One Balkan soul

My world is eight notes
One Balkan soul
