Do I Worry?

Tommy Dorsey

Music and Lyrics by Stanley Cowan and Bobby Worth

(He):

Do I worry

'Cause you're steppin' out?

Do I worry

'Cause you've got me in doubt?

Do I give a bag o' beans?

Do I stay home every night

And read my magazines?

Am I frantic

'Cause we've lost the spark?

Is there panic

When it starts turning dark?

And when evening shadows creep,

Do I lose any sleep over you?

Do I worry?

You can bet your life I do.

(She):

Do I worry

When your old flame calls?
Do I worry
If Niag'ra falls?
Though I know you like to flirt,
Do you think I really care?
Are my feelings really hurt
When you return a stare?
Am I curious
When the gossip flies?
Am I furious
'Bout your little white lies?
And when all our evenings end
"Cause you've got a sick friend who needs you,
Do I worry?
You know doggone well I do!
