Nevada

Tommy Dorsey

Composers are Walter Donaldson and Mort Greene

We lived a dream by a cool mountain stream in Nevada

Millions of stars were exclusively ours that night.

You were a part of my heart in the heart of Nevada

Two lips divine were exclusively mine that night.

There on a hilltop with nothing but heaven around us

We lost ourselves in a heavenly moonbeam till sunrise  
found us.

We fell in love oh so madly in love in Nevada

We lived a dream by a cool mountain stream that night.
