Tommy Dorsey

Composers are Walter Donaldson and Mort Greene

We lived a dream by a cool mountain stream in Nevada
Millions of stars were exclusively ours that night.
You were a part of my heart in the heart of Nevada
Two lips divine were exclusively mine that night.
There on a hilltop with nothing but heaven around us
We lost ourselves in a heavenly moonbeam till sunrise
found us.
We fell in love oh so madly in love in Nevada
We lived a dream by a cool mountain stream that night.
