[Kno]

But I was nearly crazy
And I was clearly crazy

[Deacon the Villain]

On I-85 North, going nowhere
Would hit the 400, but I ain't got money for the toll
there
Traffic backed up ahead of me, I see the road flares
School bus on my right, kids laughin' with brown and
gold hair
Replaying conversations in my head by my ex-wife
From the house work that I did, to the kids, even our
sex life
She said I was crazy so I threatened to prove her dead-
right
So she got court orders, restraining me, put on the red
lights
Frustrated, thinking how the fuck could I clean it up
Traffic stopped, about 1000 degrees in my truck
Loosened my tie, wiped the sweat out of my eyes,
mixed with tears
Mind thick with fears, I've lost everything that I done
built for years
Bright yellow school bus fucking up my limbo
Kids bitchin', cussin', flickin' boogers upon my window
Start rolling it down for some air and the handle breaks
Kick my door open, dive out, feeling some escape

"We said vows and shit, that shits' for life right?!
Yeah, that shit's until death, death...
That shit can be mended
But that bitch don't be listening to me!
She'll prolly throw a fucking fit and shit!
I'ma go there that bitch is gonna listen to me
She'll see I'ma fix this shit, FUCK THAT!"

[White man in the background]: "Move your fucking
car, maaaaan!!"

Motherfucker is my own car really halting movement
I got some powerful shit in my trunk want me to use it?
I grabbed that shit, cocked it now talk like you're silly!
If you needed some release would I fuck with you,
Billy?
"Look away lady, before I swiss cheese your Mazda"
Am I crazy for wanting my babies to have a father!
Gonna show my bitch of a wife she better work a little
harder
Stop them kids from screaming, it's pushing me even
farther!
It's my daughter's birthday, Billy, you like this gift?
Your name's not Billy? Really? Then why do you react to
it?
If you're an actor, am I your fuckin' audience?
Kids, look how many different directions his body went
It's okay, I'm not crazy, I got kids your age
Don't be afraid, I said don't be afraid! Behave!
Now y'all be cool now, I'm leaving now, it's beyond hot
'Bout to visit my wife after hitting the pawn shop for
more glocks
I got some shit to fix (sinister chuckle) I got some shit
to fix

[Mr. SOS]

Today's about to be one of the biggest days of my life
'Cause I'm about to ask the women I love if she'll be my
wife
I just know that she will, for this women, I'll KILL
I used to clean dishes at Micky D's, now I'm on GRILL
So I've been able to save up enough money for this
necklace
Along with this ring for when I pop the big question
But my manager's been stressin' the way I been
dressin'
Tellin' me I need new shoes but I can't afford to get
them!
He's all about perfection and does shit that I hate!
Today he wrote me up and I was only five minutes late!
And then he threatened to take me off grill and make
me scrub plates
And the toilet where people shit out all the food they
just ate!
AW FUCK! I'm starting to hear my screws bust
Screw it, I'll do it, He gives me Windex and a
toothbrush
Now I'm scrubbin the toilet like, FUCK MY BOSS and HE
STINKS!
I'm asking my girl to marry me, fuck what everyone
thinks
Let me look at the ring now to calm me down like my

shrink

NOOOOOO! I JUST LOST IT AND NOW IT'S LOST IN THE SINK

And today on my lunchbreak my girl's supposed to come through

I wanna ask her but without the ring what'll I do?

Dialogue:

[SOS]: Wassup baby. Listen I wanna tell you something.

[GIRL]: "Yeah?"

[SOS]: Well, we've been together for a long time and...

[GIRL]: "Uh huh..."

[SOS]: ...I love you more than anything in this world...

Will you marry me?

[GIRL]: "So where's the ring?"

[SOS]: I... I had one but... I dropped it in the sink...

my... my manager... he... he made me get off the grill and clean the toilets

and...(sob)

[GIRL]: Yeah... WHATEVER! I'm seeing somebody else anyway, loser!"

[SOS]: Grrrrrrrrrrr.....

FUCK YOU FOR REAL! SNUFF TO YA GRILL! SMACK TO YA FACE!

FOOT TO YOUR CROTCH! Look at the cops...

THANKS FOR THE GAT! RAT-A-TAT-TAT! CRIME IN THE ACT!

BITCH, DO YOU WANT FRIES WITH THAT???

SICK cause my mind just snapped pretty hard!

Fatality... RIP YOUR TITTY OFF!

Pull out the gun that I got from the cop

And make her face look like Barbecue sauce.

Bite off her nipple like it's on the menu

And spit it out the drive through window inside a pinto and leave the driver

crippled

When I fire my pistol like it's a missile. (BLAOW!)

Start to hear sirens whistle I've lost my mind, it's official!

Grab my manager's pencil and stick it in his eye tissue

For having a time issue go to the bathroom and try to kick through

The sink. I made a mess and shot cops. Let off a couple of pop pops

ON THE CLOCK let me go before the alarm stops

I'ma take this damn ring to the pawn shop

To get my FUCKIN money back... (cries) fuckin bitch!

[Kno]

Ignition contact in my little compact
Nissan piece of shit and I need to quit
Funneling Night Train pummels my right brain
Feel the pain of a hangover, I smell the faint odor of
piss
I need to lower my risk
Hittin my liver with this liquid deliverance
I'm fuckin laughin and stuck in traffic
As my 8-track tape deck pumps some wack shit
Its drastic
I walked in on my friend with his hand caught in my
wife's panty elastic
While she was wearin em!
Started tearin em a new asshole verbally
I don't think I hurt em
Twisted off the MD and Bourbon
Got the straight vodka in my coffee thermos
Put on my game face and walk in the door
Of my job at the strip mall discount department store.

Dialogue:

[Boss]: Dan-O! Happy Birthday

[Kno]: Thanks!

[Boss]: Oh, before I forget uh, we're gonna have to let
you go Dan-O.

[Kno]: What?!

[Boss]: Yeahh, we've been monitoring incoming
packages for a while now, we
noticed you have a fetish for naked pictures of Janet
Reno and Will Smith
CD's. Yeahh.

[Kno]: (crying)

[Boss]: Hey, uh...what's the machine gun in the paper
bag for?

No, Mr. Johnson! YOUR ASS IS FIRED!

Heres your pink slip get hit with six clips
Salepeople out front, I ain't forget ya'll
Split ya'll, and everybody in this strip mall
Walk in the Dollar Store and just let off
Now even the managers body is 50% off!
Hit up Toys R Us and bust my shit
(ratatat) TRICK LUH DA KIDS!!
Music store massacre, cus theyre trying to tell me
21.99 for a Nelly CD?!
Verizon fucked up my service so they ain't out of the
woods
Can you hear me now? BIATCH!(gunshot) GOOD!!!
Shop owners, cashiers, even the patrons
This is punishment for gettin caught in my matrix

the chance for survival is miniscule
I see two dudes walking towards the pawn shop they
bout to get it too
