[Verse - Shaggy 2 Dope]

So there I was watchin' Sanford & Son, workin' the  
graveyard shift  
At a party store, rollin' a spliff  
I'm behind the glass I see crackheads all night  
But tonight the moon is red and shit ain't feelin' so  
right  
My first sight was a basehead tryin' to break into my  
car  
In plain view, too I ran out with a crowbar  
Hammered it across his cranium, he fell over dead  
But no blood, only dust, he's a fuckin' basehead  
Here come another one jumpin' out of a tree  
But I ain't even have to move, he missed by like 20 feet  
He slammed down on the pavement, I quickly started  
kickin'  
Beat him with the crowbar 'til he finally stopped  
twitchin'  
Looked behind me, seen another zombie in the register  
I'm used to shoo'in' 'em off from beggin' from the  
customers  
But now I gotta reach up under the seat and grab the  
hand-ax  
Whipped it from there and stuck it into his back

[Hook] - x2

THE ATTACK OF THE BASEHEADS! they on a mission  
They always on the hunt for something they always  
missin'  
THE ATTACK OF THE BASEHEADS! every city, every  
town  
They always on the hunt for somethin' never to be  
found

[Verse - Shaggy 2 Dope]

Goddammit, it's two more in the cooler once I'm back  
in the sto'  
Pull my hand-ax out that back and then attack him  
some mo'  
I charged, but he busted me in the head with a Pepsi  
No effect, I left him shakin' on the floor like epilepsy

With they necks severed, fuckin' zombies for rocks  
Another jumped my back and we went through the  
glass into the parking lot  
He tried to kill me, he told me "Gimme some change!"  
All diggin' in my ear for it and shit, deranged!  
I grabbed him by his head and tried to yank it to the left  
to break his neck  
But his head spun all the way around and that was  
fuckin' it  
I was outta there, I seen another comin' out the grave  
Zombies, beggin' for change!!  
I'm fuckin' swingin' at em, knock they chin off their face  
But they still comin' at me, hands out, they wanna base  
They must think my white eyeballs are giant crack  
rocks  
I gotta slap 'em out they funky ass socks..help me!

[Hook] - x2

THE ATTACK OF THE BASEHEADS! they on a mission  
They always on the hunt for something they always  
missin'  
THE ATTACK OF THE BASEHEADS! every city, every  
town  
They always on the hunt for somethin' never to be  
found

[Verse - Violent ]]

They don't have a brain left behind they empty eyes  
They want crack rocka coca and they buzzin' like flies  
You might pull they arm off, you try to shake they hand  
Cuz their souls been gone, it's just a shell of a man  
Walkin' around lookin' for rock anyway they can get it  
Even if you got AIDS, them dirty bitches let you hit it  
And you still gettin' something worse than you already  
got  
I seen one catch one in the head, not even know he got  
shot  
It was crack smoke blowing out the side of his head  
He put a champagne cork in the hole and that was it  
Basehead zombies, millions of 'em and more  
With the steamroller, roll 'em over flat on the floor  
Their like dead ass bodies walkin' around without the  
ghost  
With no clue where they fuckin' headed but the rock  
roast  
Opportunities were given, they let 'em all pass  
Now they themselves ain't worth a shit out they ass

[Hook]

and smoke it
