Come on back baby  
I want u to give me all your love cause tonight its on

U come around me shaking your thing around  
But u cant keep turning me on like this  
Baby I just cant turn it down  
Girl lay your body right here next to mine  
U can ride it like a pony on a merry-go-round  
U can ride it anytime

I wanna know how deep is your love  
I wanna fall so deep in your love  
I wanna rock and roll and lose control cause I just can't  
be changed

Sexy lady break it off  
My darling baby break it off  
My body needs your loving girl so break me off a little  
bit  
In the morning break it off  
In the evening take it off  
My body needs your loving girl so break me off a little  
bit

No more hesitating baby let me help you take your  
clothes off  
Drink a little wine relax your mind  
I'll guarantee we'll both get off  
Tell me can you handle this I wanna get scandalous  
I wanna taste your candy girl  
And when your sugar drips let it drip up on my lips  
On and on and on and on and on

I wanna know how deep is your love  
I wanna fall so deep in your love  
I wanna rock and roll and lose control cause I just can't  
be changed

Sexy lady break it off  
My darling baby break it off  
My body needs your loving girl so break me off a little

bit  
In the morning break it off  
In the evening take it off  
My body needs your loving girl so break me off a little  
bit

Baby keep it right there  
Slowly is the way I wanna love your baody  
Run my fingers through your hair  
Stare into my eyes and say you want this baby  
Wanna love you all night until the morning light  
Girl what does it take I don't wanna wait for just a little  
piece of your love

Sexy lady break it off  
My darling baby break it off  
My body needs your loving girl so break me off a little  
bit  
In the morning break it off (in the morning yeah)  
In the evening take it off (in the evening yeah)  
My body needs your loving girl so break me off a little  
bit

Repeat x 2
