Hokus Pokus

"Serial slaughtering stranglers  
Juggling Juggling juggalos  
Folded, fat, floppy-titted freaks  
I C fuckin P's in the haugh"

[Violent J]

Abracadabra boom shacka dae  
I'm Violent J, and I'm back like a vertebrae  
And I come with a hat full of tricks  
Trunk full of Faygo, car full of fat chicks  
Hahahahahahaha, fuck you  
Wicked clowns, we'd like to say what up to  
The Cobra's, X-men, and Counts, and everybody with  
clown luv  
Even sets I've never heard of  
Roll into town, and out with the big top  
Four cards down, and two more still to drop  
And when it does, I pack up and hit the road  
Cuz I don't wanna see your head explode  
Toss me an axe, and I'll toss you a dead chicken  
Add a buck, you get a two-liter with em  
And when the genie says on with the show  
It's hokus pokus jokers, Great Milenko.

[Chorus (1x)]

Once again, the psychotic carnival creatures in the  
haugh  
Hokus pokus, joker's ride, come take a spin on a carnie  
ride  
Southwest slithering snakes of darkness come  
Hokus pokus, joker's ride, come take a spin on a carnie  
ride

[Shaggy 2 Dope]

Shazam BAM, shocka locka lokey  
Shaggy the clown back like scoliosis  
Call me a psycho-skitso freak  
And I'll call you by your name (dick-anus)  
Cuz I can give two shits and a fuck

I bounce down Verner in a popcorn clown truck  
I'm a circus ninja southwest voodoo wizard.  
I grab your gizzard  
Jump on the carpet, let's take a spin  
Everybody's waitin for the show to begin  
Up to the top, by the neck, and let you go  
Try to land in a glass of Faygo  
Uh, you suck, you missed the fuckin glass  
Broken neck, and busted your fuckin ass  
But the genie says on with the show  
Hokus Pokus Jokers, Great Milenko.

[Chorus (1x)]

What awaits you after death, rub the lamp and explore  
Hokus pokus, joker's ride, come take a spin on a carnie  
ride  
Enter Milenko's Fun House, walk right through the  
wretched hall  
Hokus pokus, joker's ride, come take a spin on a carnie  
ride

"Fuck em all, fuck em all  
Clown dawg, freak dawg  
Joker dawg, Milenko dawg"

Fidgets of joker's cards blasting in your mother's face  
Hokus pokus, joker's ride, come take a spin on a carnie  
ride

[Violent J]

Rude Boy and Chucky down wit the clown  
First time we ever went to Mexican Town  
I remember, we couldn't pay the bill, they got hot  
And beat us down in the fuckin parking lot

[Shaggy 2 Dope]

Tall Jess, Jump Steady, and Nate the Mack  
Tagged ICP by the train tracks  
And it was on, the dawn of a new day  
Magical carpets screaming down the freeway

[Violent J]

Walked in a gypsy's tent with a food stamp  
And walked out with a magical lamp, yeah  
I met Milenko, he gave me 3 wishes  
That night, I fucked 3 fat bitches

[Shaggy 2 Dope]

Then get the fuck with it, forget it  
I'll rip your face off, and wipe my ass with it  
When the genie says on with the show

Hokus pokus, jokers, Great Milenko

[Chorus (x)]

Climb aboard our magic train and join us inside  
Hokus pokus, joker's ride, come take a spin on a carnie  
ride

Fifty-two villians, hammered town, the show must go on  
Hokus pokus, joker's ride, come take a spin on a carnie  
ride

Giant ladies, bearded ladies, midget ladies, ladies!  
Hokus pokus, joker's ride, come take a spin on a carnie  
ride

Clowns of darkness and underneath them comes the  
cloud

Hokus pokus, joker's ride, come take a spin on a carnie  
ride

"Fuck dat!"
