Angel With a Broken Wing

Â© 2001 Kate Mesmer & D. A. Shea

There are angels with dirty faces  
There are angels from on high  
There are angels who fell from grace  
There are angels' lullabies  
Lullabies

There are angels from Montgomery  
There are angels looking home  
There are angels at my table  
But I'm still alone  
Still Alone

Chorus:  
I'm looking for an angel with a broken wing  
Not perfect, but almost the real thing  
Looking for an angel with a broken wing  
To find you, I'd do, anything

Angels in the darkness  
Angels of the light  
These are not the angels  
I'm looking for tonight
