Intro & Verse 1:

Eve:

Trackmasters, uh oh she just your type right
Tryin to figure out how you could play a major part up
in her life right
Shorty got your mind tight
And everytime you see her walk by start thinkin bout
your night like
She all that's in your eye sight
And ever since the first day you seened her thinkin she
the wife type
You figure she'll be perfect lovin you
Fantasize the tingle from her fingers rubbin you
Tryin to analyze the situation, you feelin crazy
Wan't it there forever what's so special 'bout this lady?
Feelin like you wanna cool back
But you know you perfect for her you got all of what
them fools lack
Maybe you should make this thing happen
Raise some things swingin on the porch while the kids
nappin
You got everything else you need
Snatch her up fill that empty space she can make your
life complete

Michael Jackson:

All you gotta do is just walk away and pass me by
Don't acknowledge my smile when I try to say hello to
you, yeah
And all you gotta do is not answer my calls When I'm
trying to get through
To keep me wondering why, when all I can do is sigh
I just wanna touch you

Chorus:

Michael Jackson:

I just wanna touch and kiss and I wish that I could be
with you tonight
You give me butterflies inside, inside and I

Verse 2:

Michael Jackson:

All I gotta say is that I must be dreaming can't be real
You're not here with me, still I can feel you near me
I caress you, let you taste us, just so blissful listen
I would give you anything baby, just make my dreams
come true
Oh baby you give me butterflies

Chorus:

Michael Jackson:

I just wanna touch and kiss and I wish that I could be
with you tonight
You give me butterflies, inside inside and I

Verse 3:

Eve:

You like, wait, stop, the way that she got you hot
Excited said you be what she got
Entycin mommy like the cream of the crop
Pressure gettin heavy 'bout to make your heart pop
All your life you waited for this chick
Nobody told you would it feel like this
Do anything just to feel that kiss
Wanna give her whatever you got
In front of millions make it known whatever the plot

Michael Jackson:

If you would take my hand, baby I would show you
Guide you to the light babe
If you would be my love, baby I will love you, love you
Til the end of time

Chorus:

Michael Jackson:

I just wanna touch and kiss and I wish that I could be
with you tonight
You give me butterflies, inside inside and I
