Everybody come on,  
Sit yourself right down.  
You know we been a-wait' for your arrival, yeah,  
Come on, gonna have a Church Street soul revival,  
Church Street soul revival.

Gonna have a good time,  
Drink a little moonshine.  
Brother Taylor brought his Bible, yeah,  
Come on, gonna have a Church Street soul revival,  
Church Street soul revival.

Gonna sing, gonna pray to the Lord,  
Ain't no doubt about it.  
Have a Church Street soul revival,  
Gonna laugh, gonna sing, gonna shout,  
Gonna laugh, gonna sing, gonna shout, yeah.

Hallelujah! Revive your soul!  
Repeat 7 more times

Everybody come on,  
Sit yourself right down.  
Brother Taylor brought his Bible, yeah,  
Come on, gonna have a Church Street soul revival,  
Church Street soul revival.

Gonna have a Church Street soul revival.  
Repeat and fade
