Oh, gettin' together is better than ever
Gettin' together

I am so happy, baby
And now that you are my lady
We can hold hands together
Every day, come what may

I promise you I'll always
Give you my lovin' always
You can depend on me, girl
All the time, rain or shine

You're gonna love it
I'm gonna love it
Day time, night time
Your time, my time

Gettin' together is better than ever
Gettin' together never felt like this before
Gettin' together is better than ever
Gettin' together

You bring me new excitement
I never knew what night meant
We got a thing together
Very few ever knew

And you can be sure of one thing
All of the love that I bring
I'm gonna keep you happy
All the time, rain or shine

You're gonna love it
I'm gonna love it
Day time, night time
Your time, my time

Gettin' together is better than ever
Gettin' together never felt like this before
Gettin' together is better than ever
Gettin' together

Oh, gettin' together is better than ever
Gettin' together never felt like this before
Gettin' together is better than ever
Gettin' together never ever felt like this before

Oh, gettin' together is better than ever
Gettin' together never felt like this before
Gettin' together is better than ever
Gettin' together
