Hey Tom, we're in the Limo, we're ready to go
You ready man?

Ah, yeah, I'll be right with you, Rock
Listen, why don't you come along with us?
Ahh, I don't know
Come on, we'll have a great time
Well, okay, if you really want me to

Wow
Hey guys
Hey Fred, why don't you turn on the radio?
Okay, man

Flooding in South America, earthquakes in Asia
As U.N. peace keepers march into the Middle East
In local news Mayor
