I wanna make it back to my fathers mansion.
I'm gonna make it. But at last I'm comin home,
I'm comin home, I'm comin home.
Here I stand. Been such a long time comin.
Here I am. Now at last I'm comin home,
I'm comin home, I'm comin home. Mm-mm-mm.
I get weary, but I don't mind walkin.
Don't get dreary, cause at last I'm comin home,
I'm comin home, I'm comin home. Mm-mm-mm.
I'm comin home. Been too long.
I'm comin home. Way too long.
I'm comin home. I'm gonna make it. Here I come.
