I was lookin' for a lover  
I went to one and then another  
Like a lightnin' bolt of thunder  
You really took me by surprise

You got a hold of my emotion  
Yeah, you really got me goin'  
You didn't even have to try  
I had another reason why  
I try to look into your eyes

[CHORUS]

You're so easy to love  
It's so easy to say  
You make it hard to say no, babe  
When you touch me that way  
I can't believe what I'm feelin'  
And I can't get enough  
It's so hard not to love you, darlin'  
You're so easy to love

I never thought I'd be the one who  
Who'd ever say that that I would want to  
Be the one to say that I want you  
But that's what I'm gonna say

Because every time that we're together  
We just keep gettin' better  
And it keeps getting stronger  
The waves comin' longer  
You take my breath away

[Repeat CHORUS]

[BRIDGE]

[Repeat CHORUS]

[Repeat CHORUS with backups 2x]
