On my own,  
Pretending he's beside me  
All alone  
I walk with him 'til morning  
Without him, I feel his arms around me  
And when I lose my way, I close my eyes and he has  
found me

In the rain,  
The pavement shines like silver  
All the lights are misty in the river  
In the darkness, the trees are full of starlight  
And all I see is him and me forever and forever

And I know it's only in my mind,  
That i'm talking to myself,  
And not to him  
And although,  
I know that he is blind  
Still I say, there's a way for us

I love him,  
but when the night is over,  
He's gone,  
The river's just a river

Without him,  
the world around me changes  
The trees are bare and everywhere the streets are full  
of strangers

I love him,  
but everyday i'm learnin'  
All my life,  
I've only been pretending

Without me  
His world will go on turnin'  
The world is full of happiness that I have never known

I love him... I love him... I love him, but only on my own
