[Tash]
Say what

[Bligg]
DirÄkt vo L.A.
Killa Kalifornia
Tha Liks
ZÄme mit em B-l-i-doppel g
ZÄ¼ri Style

[Tash]
Alkoholiks
Schiints meh seit's
Woo-woo-woo-woop
Come on, come on

[Bligg]
Hey yo yo, wer isch es? Ou nei, das isch doch dÄ
wieder
Wo wÄ¼rklich nÄ¼Ä¼t Gschiders weiss als luuti Musig
z'verherrliche
So ungefÄhr dicker, dÄ Querschleger mit spÄrliche
ErchlÄrlige zum Thema 'Was wott jetzt dÄ wieder?'

[Tash]
And I'm the superstar-studded, warmblooded, heavily
butted
Rhyme killer from the Westcoast, hate it or love it
When push come to shove it, cousin, I slang em
dangerous
You talkin 'bout some bitches, then you speakin Tash's
langu-age
Spitfire flows, hot like Swiss miss
I'm walkin with a sag like, 'muthafucka, twist this'
It's all about Tha Liks and 'sheanz, ma saiz', I blow up
Katash come to your country and dig your fuckin hoes
out

[J-Ro]
I lay up with two of em
Roll in a club with a few of em

Shit, I got a whole crew of em
Maybe you love em, I don't go that route
I just rock - rock - rock the house

[CHORUS: Tash]

Rawdawg from the underground, everybody bounce to
this

Bligg is the smokiest, Tha Liks is the liquidest

[Bligg]

Wo sind all di Ladies? (Daa) Wo sind all die HÄ¼nd?
(Arrf)

Lass die Party rocke und bring all dini FrÄ¼nd

[Tash]

Rawdawg from the underground, everybody bounce to
this

Bligg is the smokiest, Tha Liks is the liquidest

[Bligg]

Bounce, tanz, stÄ¼hn und gump

DÄ¼nn dÄ¼ Sound da drÄ¼hnt und pumpt

[Tash]

Y'all niggas would if y'all could, but y'all can't so y'all
won't

Straight from L.A., California, got that Likwid antidote

For the disease called wack MC's

Nigga please, straight from the 213

[Bligg]

Mer kennt die Type scho am Ton aa, lÄ¼nd mich ans
Mikrofon, y'all

Vo ZÄ¼ri ou ja, nach Los Angeles, California

Dr Chefrocker we eu gschmeidig macht wÄ¼nn ihr
festhocked

Und ohni dass er's eigentlich wett dÄ¼ Rescht topped

Ihr Scherzpoper mit euem Bullshit hÄ¼nd null Stich

DÄ¼nn ich sorg egehÄ¼ndig dÄ¼fÄ¼r dass min Styl zu
Kult wird

Bounc das ZÄ¼Ä¼g? (E schoo!) Isch das Sound fÄ¼r
d'LÄ¼t? (E schoo)

DÄ¼nn isch ja guet, Volk, I gib mal ab zu mim Maa J-Ro

[J-Ro]

I make Swiss cheese, French bread and US lettuce

A nigga gotta eat, that's why I rock beats

Ice bling like Iceland, gold like the coast

You can't fuck with us cause we doin the most

[CHORUS]

[J-Ro]

I'm the rawdawg that ate the cat like Take That

I like my cash thick like pancake stacks
In fact, I got hoes with great backs
Big titties with the creamy middles like Faye Black's
I'm solid, all the way through, you should be too
From my Adidas to my black Dodger hat I'm pure truth
Es gaht abÃ wie das (und chunnt uÃ wie sÃb)
Let's bring it back, that old Westcoast rap

[Bligg]

It's Tha Liks mit em B-I-i, dÃm Typ vo Bligg 'n Lexx
FÃ¼r all die Rawdawgz und Chickenheads wo mit us
sind
Was vermittlet wird isch es Bitzeli Funk zmitzt is Gsicht
Mit emenÃ Flow wo bis is Detail entwickelt isch

[Tash]

Tash apply the warpaint, I'm trained to make you faint
Tash'll be like: fuck (biiiii) - fill in the blank
I can, you can't, you can't, I can
In Switzerland with my homie Mr. Than

[CHORUS]

Haha
Yeah
Come on
Westcoast
That's how we do it y'all
bis nach ZÃ¼ri
Bligg, muthafucka
Alkaholiks, muthafucka
Likwid
Sheanz ma seiz

[E-Swift (2X)]

You better be ready to flow
You can't drink with us, you're broke
You better be ready to go
We got the smokey-smoke
