He's a Casanova (Yeah yeah what'd I say?)

he's a busy lover (Yeah yeah what'd I say?)

Everybody's trying to tell me

That I'm wasting time away

Too cool for one woman (Yeah yeah what'd I say?)

My Bel Ami - I'm born to be with you

My Bel Ami - I don't care what you do

My Bel Ami - Whenever you're with me

My Bel Ami - I'm happy (What'd I say)

My Bel Ami

My Bel Ami

It won't last forever (Yeah yeah what'd I say?)

He's just like the weather (Yeah yeah what'd I say?)

Life with him is so exciting

Heights to the lows

>From day to day

Something's always happening (Yeah yeah what'd I say?)

My Bel Ami - I'm born to be with you

My Bel Ami - I don't care what you do

My Bel Ami - Whenever you're with me

My Bel Ami - I'm happy (What'd I say)

My Bel Ami

My Bel Ami

My Bel Ami

My Bel Ami - I'm born to be with you

My Bel Ami - I don't care what you do

My Bel Ami - Whenever you're with me

My Bel Ami - I'm happy

My Bel Ami

My Bel Ami - I'm born to be with you

My Bel Ami - I don't care what you do

My Bel Ami - Whenever you're with me

My Bel Ami - I'm happy

My Bel Ami
