Time, changer of seasons, time will see another flower
growing.

Climb over the mountains, there you'll find warm winds
blowing.

Somewhere in the world there is peace of mind.

Somewhere in the world that's what I must find.

Somewhere in the world there's a place for me in this
world.

I cannot believe it, everywhere I see lonely faces.

Why have we no answers, just some more empty
places?

Somewhere in the world there is peace of mind.

Somewhere in the world that's what I must find.

Somewhere in the world there's a place for me in this
world.

Time, changer of seasons, time will see another flower
growing.

Climb over the mountains, there you'll find warm winds
blowing.

Somewhere in the world there is peace of mind.

Somewhere in the world that's what I must find.

Somewhere in the world there's a place for me in this
world.

Somewhere in the world there is peace of mind.

Somewhere in the world that's what I must find.
