" potions, puppet with needles

"..." potions, puppet with needles

Black night, right time

It's all about, it's voodooonight

Can't you feel it

Strangers surround the voodoospell

But you saw them close your mind

Don't listen

'cause big Zombie makes a night "orbit[?]"

We're all here and break the spell

Don't follow him

Big Zombie seeks a "pry[?]" tonight

Voodooonight

Voodooonight

"..." potions, puppet with needles

"..." potions, puppet with needles

Witchcraft, magic

Odd songs to hear, it's voodooonight

Does it haunt you

The fatefull wish of voodoospell

Voodooonight

Voodooonight

Voodooonight

Voodooonight
