You can't laugh, you can't cry
You're actin' kinda funny and you don't know why
'Cause your heart keeps beatin' like a big bass drum

And the beats gettin' strong and it's so much fun
And you keep on singin' but the words are wrong
And you can't stop laughin', baby, what's goin' on?

It's only love tryin' to get through
It's only love tryin' to get through
It's only love tryin' to get through

You can't run, you can't hide
No matter what you do, you're on a ten cent ride
Goin' up, down, baby and it's so much fun

And your heart keeps beatin' like a big bass drum
And the beats gettin' strong and it just won't quit
Better hold on baby, 'cause you know that

It's only love tryin' to get through
It's only love tryin' to get through
It's only love tryin' to get through
