Oh, the night is slipping away, femme jolie, femme jolie

And there's still so much left to say, femme jolie, femme jolie

Oh, we haven't got time, 'cause I'll be gone in the sunshine.

Oh my love, you've been good to me, femme jolie, femme jolie

I could love you so easily, femme jolie, femme jolie  
Oh, what can I do now? Then I'm tellin' you now.

Chorus

I'm only sugar on sunday, I'm leavin' on Monday,

Only got one day to love me, yeah.

Sugar on sunday, I'm leavin' on Monday,

But I'll be your man tonight.

And the night is never to wait, femme jolie, femme jolie

Love me now, before it's too late, femme jolie, femme jolie

But we haven't got time, I'll be gone in the sunshine.

Repeat chorus

Oh, sugar on sunday, I'm leavin' on Monday,

Only got one day to love me, yeah.
