Children behave,
That's what they say when we're together.
And watch how you play,
They don't understand,
And so we're runnin' just as fast we can.
Holdin' on to one another's hand.
Tryin' to get away into the night,
and then you put your arms around me as we tumble to
the ground
and then you say,

I think we're alone now.
There doesn't seem to be anyone around.
I think we're alone now.
The beating of our hearts is the only sound.

Look at the way,
We gotta hide what we're doin'.
Cause what would they say,
If they ever knew,
And so we're runnin' just as fast as we can,
Holdin' on to one another's hand.
Tryin' to get away into the night,
and then you put your arms around me as we tumble to
the ground
and then you say,

I think we're alone now,
There doesn't seem to be anyone around.
I think we're alone now,
The beating of our hearts is the only sound.

I think we're alone now ('lone noooowww).
There doesn't seem to be anyone around. (oooo
oooo)
I think we're alone now ('lone noooowww).
The beating of our hearts is the only sound. (untill end)
