"Broken Machines"

I once had a heart
I used to pretend
Now I just sit there
Don't even defend
Sputtering off
Delerium and shame
Tired of the shit
You think it's a game

I am but a fleeting scream
My body's made of broken machines
What'll fill the space in between
When will I awake from this dream
Dream time
Dream time
Lasts forever

My skin's blue and bruised
I'm hated and used
Pick at myself
Shun off the help
Throw away goal
My broken soul
Don't fill the hole
Just keep me full

I am but a fleeting scream
My body's made of broken machines
What'll fill the space in between
When will I awake from this dream
Dream time
Dream time
Lasts forever

Don't think that I don't know
You deserve to be destroyed

I am but a fleeting scream
My body's made of broken machines
What'll fill the space in between
When will I awake from this dream

Dream time
Dream time
Lasts forever
