Life is full of lots of up and downs,  
But the distance feels further,  
When it's headed for the ground,  
And there's nothing more painful,  
Than to let your feeling take,  
You down.

It's so hard to know,  
The way you feel inside,  
When there's many thoughts,  
And feeling that you hide,  
But you might feel better,  
If you let me walk with you,  
By your side,

And when you need,  
A shoulder to cry on,  
When you need,  
A friend to rely on,  
And when the whole world is gone,  
You won't be alone,  
Cause i'll be there,  
I'll be your shoulder to cry on,  
I'll be there,  
I'll be yur friend to rely on,  
When the whole world is gone,  
You won't be alone cause i'll be there,

All of the times,  
When everything is wrong,  
And you're feeling like,  
There's no use going on,  
You can't give it up,  
I'll help you work it out,  
And carry on,

Side by side,  
With you till the end,  
I'll always be the one to firmly hold your hand,  
No matter what there said or done,  
Our love will always continue on,

Everyone needs a shoulder to cry on,  
Everyone needs a friend to rely on,  
When the whole world is gone,  
You won't be alone,  
Cause i'll be there,  
I'll be your shoulder to cry on,  
I'll be there,  
I'll be your friend to rely on,  
When the whole world is gone  
You won't be alone,  
Cause i'll be there,  
You have my shoulder to cry on,  
I'll be there  
I'll be the one to rely on,  
When the whole world is gone,  
You won't be alone,  
Cause i'll be there,

And when the whole world is gone,  
You always have my shoulder to cry on.
