My baby, gone

An she won't be back no mo'

My baby, gone

An she won't be back no mo'

Yeah, she left me this mo'nin

Oh babe, that's all I know

When that little woman was leavin'

She wouldn't even shake my hand

'Great God-a-Mighty, gone!'

When that little woman was leavin'

She wouldn't even shake my hand

I tol' her, 'That's alright, baby

Someday you will understand'

Yeah, they do

Now, that's alright, baby

'Take your time now an play it right!'

Babe, that's alright, the way you do

'At's alright, baby

Babe, that's alright, the way you do

Say you always keep some

Fat mouth fol'in you

You can treat me mean, now-now

An do anything that you want to do

'Take your time play it right, man!'

You can treat me mean, baby

Do anything that you want to do

But that's alright, sweet mama

Someday it's comin' back home to you

'Play the boss now and then'.

(guitar to end)

Yeah!
Yeah!
