Nothin' brings her down
Nothin' breaks her heart
Nothin' makes her fall
When it all starts falling apart
She never breaks a sweat
When nothing's going right
She never backs down from another lonely night

I wanna be that girl
I wanna be that strong
Don't wanna care, don't wanna cry
When it's time to carry on
I wanna be the one to find
The answer to her broken heart
So it won't hurt no more
I wanna be that girl

Nothin' makes her cry
Nothin' ever will
She doesn't take the time
For her broken heart to heal
She doesn't shed a tear
When she's down and out
Love's just a luxury
She can live without

I wanna be that girl
I wanna be that strong
Don't wanna care, don't wanna cry
When it's time to carry on
I wanna be the one to find
The answer to her broken heart
So it won't hurt no more
I wanna be that girl

Sometime I have to remind myself
When I fall short of peace
That I could just look in the mirror
And I'll see her face

I wanna be that girl

I wanna be that strong
Don't wanna care, don't wanna cry
When it's time to carry on
I wanna be the one to find
The answer to her broken heart
So it won't hurt no more
I wanna be the one to find
The answer to her broken heart
So it won't hurt no more
I wanna be that girl
