I laugh a little too loud  
Talk a little too fast  
Wear a lot of red  
But my favorite color's black  
I am out on my space, in on e-mail  
Up with sleeping late  
And down on perfect nails.  
Bright brained, a little left of center  
But somehow you always seem to get my

[Chorus]

Constant stupid jokes, sometimes crazy hair,  
What I say, or my lost in space stare  
You get my midnight chocolate urge,  
Tie dyed hippy shirts, and holey hundred dollar blue  
jeans

I'm conservative but sometimes liberal,  
But even when I'm in between, you get my

[Chorus]

Constant stupid jokes, sometimes crazy hair,  
What I say, and my lost in space stare  
You get my midnight chocolate urge,  
Tie dyed hippy shirts, and holey hundred dollar blue  
jeans  
Baby, you get me  
With my flaws and imperfections,  
I don't know why but you keep gettin'

[Chorus]

My constant stupid jokes, sometimes crazy hair,  
What I say, and my lost in space stare  
You get my midnight chocolate urge,  
Tie dyed hippy shirts, and holey hundred dollar blue  
jeans

Baby, you get me

That's why you get me
