Through early morning fog I see visions of the things to
be

The pains that are withheld for me I realize and I can
see . . .

That suicide is painless it brings on many changes
And I can take or leave it if I please.

I try to find a way to make all our little joys relate
Without that ever-present hate but now I know that its
too late,

and . . . That suicide is painless it brings on many
changes
And I can take or leave it if I please.

The game of life is hard to play. Im gonna lose it
anyway.

The losing card Ill someday lay so this is all I have to
say.

That suicide is painless it brings on many changes
And I can take or leave it if I please.

The only way to win is cheat and lay it down before Im
beat,

and to another give my seat for thats the only painless
feat.

That suicide is painless it brings on many changes
And I can take or leave it if I please.

The sword of time will pierce our skins it doesnt hurt
when it begins

But as it works its way on in the pain grows stronger . . .
watch it grin, but . . .

That suicide is painless it brings on many changes
And I can take or leave it if I please.

A brave man once requested me to answer questions
that are key
'Is it to be or not to be' and I replied 'oh why ask me?'
That suicide is painless it brings on many changes
And I can take or leave it if I please.
And you can do the same thing if you choose
