Ashamed fool

I see you/I call you/But then/I Turn my back

I'm so ashamed/It's Not alright

If you Think/I'm lame/It's okay

But let's/not/Get far away

I don't/even know You well/anyway

But then/I'll be your

Friend/Because I'm

So ashamed/Girl

To tell/how/I feel For you

It's good/But it's not cool/

See I call it/

Be a fool/

And this is not over Yet/

Chorus:

And so many ways/To tell it

I waste/Well you

Don't see/I'm going

To say it/

But kill me/If it's not true

Cause/I have many clues

And I have

/I've discovered I'm

A fool/*3

And now/I see you/In your date

He kissed you/And I can't

Believe it/

All this/Is killing

I see around And smile

I say hello/Are you alright?

What a things/

To think about/

But I just feel/

Fucked up

So get me out/right now

I'm ashamed/once again

It's stupid/but it's ok

And this is over yet/

And so many ways/To tell it
I waste/Well you
Don't see/I'm going
To say it/
But kill me/If it's not true
Cause/I have many clues
And I have
/I've discovered I'm
A fool/*3
