Corrupt police

He owns a gun
He kills thieves
But he buys beers
Donuts and fucks up poor
People of the streets
We are gonna scream
Sit in here and
See all the gore
That is unseen just for
Some money all that shit
Goes to the sink

Stoped some whores
And took them to his home
He got high and killed an
Old man the crazy girl sucked his dick
And now he is a whole police

Follow till you die
Follow till you die
Man, it's alright
Soon he'll kick your ass
All the flavours in a fucking
Gun that he uses to the whores
So they suck his cock

Die die filthy bastard die *2

Now he'll stop some kids
With drugs so he can take
The pot home and
The other ones using them till
His nose explotes
he was in jail And used
whores in paris
And now he is a whole police

I have seen a corrupt police
I have seen a corrupt police

I have seen a corrupt police
