P.I.S.S. O.F.F(Political idiots, sour society
objection,fogginess follower)

Look what we are

We destroy ourselves

And don't care I f people die

We lie

politics try

To improve the world

With senseless wars

Society couldn't be more

Superficial

Problems take life

With a gun everytime

A lot of people

Following nothing

In life

we are pissed off

And start the fights

Why did we evolve

If monkeys are smarter

Than us

There will ever
Be a solution for
This problems
In life
There's nothing to do
Vote for someone
To finish your problems
And he will finish with you
We are fucked up
Only answers in the nuclear
Our futures are as dark
As answers to life
I lost my soul
Lost my hopes
Lost in this world
Full of destroyed
Horror world
A lot of people
Following nothing
In life
we are pissed off
And start the fights
Why did we evolve
If monkeys are smarter
Than us
There will ever

Be a solution for

This problems

In life

I come to fight

Myself to die

Cause I want to

End all this

Nightmare

Buddy, fuck you!!

That's all we know

How to say and do

AHHHH!!!!

Screaming, solving

Dying, bleeding everyday

We are the worst

In an scale FROM

dump to fucked!

A lot of people

Following nothing

In life

we are pissed off

And start the fights

Why did we evolve

If monkeys are smarter

Than us

There will ever

Be a solution for

This problems

In life
