Life is full of lots of up and downs
But the distance feels further
When it's headed for the ground
And there's nothing more painful
Then to let your feelings take
You down

It's so hard to know
The way you feel inside
When there's many thoughts
And feelings that you hide
But you might feel better
If you let me walk with you
By your side

Chorus:

And when you need
A shoulder to cry on
When you need
A friend to rely on
When the whole world is gone
You won't be alone
I'll be there
I'll be your shoulder to cry on
I'll be there
I'll be your friend to rely on
When the whole world's gone
You won't be alone 'cause I'll be there

All of the times
When everything is wrong
And your feeling like
There's no use going on
You can't give it up
I'll help you work it out
And carry on

Side by side
With you till the end

I'll always be the one
A shoulder to cry on continued

To firmly hold your hand
No matter what is said or done
Our love will always continue on
Chorus:

Everyone needs a shoulder to cry on
Everyone needs a friend to rely on
When the whole world's gone, you won't be alone
'cause I'll be there
I'll be your shoulder to cry on
I'll be there
I'll be the one to rely on
When the whole world's gone, you won't be alone
'cause I'll be there
And when the whole world is gone
You'll always have my shoulder to cry on
