I've been saving all my love
For somebody like you
It's building up inside of me
This feeling's so brand new

Nothing can stop it
Nothing can hold it
Look in my eyes
I'm sending them through

Oh, I've got a zillion kisses for you
More and more and more
You just can't count my love
(You just can't count my love)

I've got a zillion kisses for you
More and more and more than
All the stars above
(Endless numbers of)

I've never been to paradise
With anyone before
Now I just can't wait to go
So open up the door

And I will take you
I will make you feel
Happier than
You've ever been

Oh, I've got a zillion kisses for you
More and more and more
You just can't count my love
(You just can't count my love)

I've got a zillion kisses for you
More and more and more than
All the stars above
(Endless numbers of)

You just can't count, you just can't count
You just can't count, you just can't count

You just can't count, you just can't count
My love

Oh, I've got a zillion kisses for you
More and more and more
You just can't count my love
(You just can't count my love)

I've got a zillion kisses for you
More and more and more than
All the stars above
(Endless numbers of)
