HEATHER HONEY

Tommy Roe

Oh Heather honey
Warm as the sunshine
Oh Heather honey
Your love is so fine
I've been here, I've been there
I've been all around
and I fell in and out of love
In most every town
But the girls I knew were not like you
You're a different kind
Heather honey, now can't you see
You're blowing my mind

Every day my friends say
I'm just a fool to fall in love
To them it seems ain't very cool
But I don't care what they say
I just can't resist
Heather, I fell head over heels
First time we kissed
Heather, honey I bet money
We'll never split cause
Loving you is so easy to do
And I'll never quit
So build your plans around this man
Cause I love you so
Don't you forget my pretty pet
I'll never let you go
