I remember noticing you
No one knew that I was looking at you
Kept a disguise, for fear inside
you didn't feel it too
Couldn't tell you what it was you did
Your presence made a standing still in time
Taken by your stare, I said a prayer
Someday you'll be mine
Well someone was watching, someone was listening
someone answered me
Now that I found you I can't live without you
Baby, oh baby

Chorus:

I'm always dreaming of you
You're on my mind, everywhere I go
And baby don't you know
Just what my world's been going through
I try to stop my thoughts, but that would be a lie
And I can't deny it's true
I'm always dreaming of you
Nothing seems to matter anymore
Everyone I meet is not you (no one compares to you)
Life's not the same
I don't complain, now that love feels true
Well someone was watching, someone was listening
someone answered me
Now that I found you I can't live without you
Baby, oh baby

chorus

I'm always dreaming of you
You're on my mind, everywhere I go
And baby don't you know
Just what my world's been going through
I try to stop my thoughts, but that would be a lie
And I can't deny it's true
I'm always dreaming of you
I'm always dreaming of you
I'm always dreaming of you

I'm always dreaming of you
