(Written by Michael Bolton & Diane Warren)

I need to know  
That I am in your world, that I am in your world, baby  
And I've gotta know  
That I am in your heart, no matter where you are  
Wherever you go, oh baby  
I hear you saying that you love me  
I feel you touch me in the night  
But that don't mean that I mean something  
In your life, baby

Chorus  
Whenever you close your eyes  
I want it to be my face that you see  
When you go to sleep at night  
Whenever you dream I want to know  
That you're dreaming of me

So, hard to know  
Wish I could read your mind, wish I could read your  
mind  
And see in your heart  
Am I there, the way you're there with me  
You're everywhere with me  
Wherever I go, oh baby  
Before I give my world completely  
And lay my heart down on the line  
I need to know it's me you're needing  
In your life, baby

Don't you know I'm so in love with you baby  
But I need to know how deep your love is for me
