VERSE 1:

When you're all alone
Baby I'll be home
Waiting for you - to call me
Yeah yeah yeah

When you feel afraid,
Don't ever hesitate
To wake me up - and call me
Yeah yeah yeah

CHANNEL:

I'll be here when there's nobody else
My arms are always open
You're welcome in my house
And you know that I care
Cause my love goes beyond all you can comprehend
baby
You keep me alive

CHORUS:

That's how dee-ee-eep,
That's how deep
My love goes, my love goes
That's how dee-ee-eep,
My love goes, my love goes

VERSE 2:

Sent from up above
Blessed to share this love
For now, for life, forever
Grace me with a joy
That's unattainable
Because you're everything
Everything I need and more
Yeah yeah yeah

That's how deep
That's how deep my love goes
That's how deep
That's how deep my love flows

That's how deep
That's how deep my love goes
