#### VERSE 1:

And the hardest part, is that you stole my heart  
I gave it all I had, but it wasn't enough  
All I needed was a time to shine  
A diamond in the rough

#### CHANNEL:

She said I'm sorry full stop  
For the sake of this friendship comma  
We better not  
Her words became a weapon  
Although they hurt, I won't let them  
Break me down, break me down no

#### CHORUS:

Do you know what it feels like  
To give someone your heart  
For them to say they can't  
Love you back  
Oh sometimes I think about  
What life could've been,  
If I wasn't missing, the one thing  
I'll never have

Oh, oh, oh  
I'll never have  
Oh, oh

#### VERSE 2

I waited for you to wait for me  
Prayed for you to pray for me  
I know that it sounds harsh  
But loving you meant I had to be  
My beginning and my end  
Closer than my best friend  
But you watched me burn to ashes
